AWARDS PROSPECTUS

#CollegeAwards

WELCOME >

I am delighted to announce that the 2021 Scottish College Awards, delivered by CDN, are now open for entries.

The Awards recognise the talent, innovation and achievement demonstrated by our colleges, their staff and their learners.

They provide a valuable opportunity to recognise and celebrate creativity. They showcase the impact that the sector is having, every day, for our learners, communities and the wider economy.

The awards categories this year are:

- College Colleague of the Year Award
- College Community Learning Award
- Digital Learning Award
- Employer Connections Award
- Health and Wellbeing Award
- Inclusive College Award
- Innovation Award
- Learning and Teaching Colleague of the Year Award
- Marketing and Communications Award
- Skills Development Award
- Student of the Year Award
- Sustainability Action Award
- Judges' Award

The deadline for entries is Friday 2 July at 1700, and the winners will be announced at the awards ceremony on Thursday 9 December.

We look forward to receiving your entries, and I wish you every success.

SKILLS DEVELOPMENT AWARD

This award recognises a college that has demonstrated impact in their approach to skills development of their students. This could be related to a range of innovative approaches taken to ensure the development and achievement of personal and transferable skills of students, as well as finding effective ways of tracking skills development and enhancing learners' ownership of the development of their skills. The focus on skills development must ensure that students articulate and demonstrate their skills, and the potential to utilise these skills in different contexts.

Entries should evidence:

- Imaginative approaches to developing core, essential, meta and career management skills, for example through learning and teaching approaches, or through projects, interdisciplinary or collaborative learning, events, volunteering or competitions
- Potential for the approaches to be adapted or transferred to other curricular areas
- The development of core, essential, meta and career management skills that are relevant to the regional or national skills gap, or the predominant regional employment market.
- Development of relevant digital skills which meet the needs of today's employers.
- Methods in which learners take greater ownership for the development of their skills, including evidence from learners of the impact of skills development
