## FIND OUT HOW WE CAN DELIVER YOUR VIRTUAL OR HYBRID EVENT

Workshops, training, AGMs, conferences, award ceremonies, expos and exhibitions – we virtually love all events!

Take the stress out of organising your virtual or hybrid event and let us guide you through the process.

Our expert team are on hand to project manage and deliver your event via our innovative, bespoke virtual conference centre.

### OUR WORK

We have adapted the way we deliver and manage our own events and those we deliver to our external clients

Here are some examples of our recent work:

#### CDN Virtual College Awards

The CDN Virtual College Awards took place in December 2020 and included a full studio production, and live streams with over 30 shortlisted winners. More than 300 guests virtually celebrated the talent and skills of staff and learners.

**THE VIRTUAL FORMAT WORKED WELL, SLICK AND PROFESSIONAL.**

#### Virtual College Expo21

Virtual College Expo21 took place over two days in June 2021, with over 100 speakers joining virtually via four live streams, plus a live studio production. The event was attended by over 1,000 participants who watched and participated in keynotes, seminars, panel sessions, and visited our virtual exhibition Hall.

**I WAS REALLY IMPRESSED WITH HOW SMOOTHLY IT ALL WENT. EASY TO ACCESS AND THE DIGITAL FORMAT WAS FANTASTIC.**

#### #EsportsinEducation

Scotland's first ever #EsportsinEducation Conference was delivered in partnership with the British Esports Association using CDN's Virtual Conference Centre. This event was live streamed to delegates from all over the UK, as well as an international audience from countries including Australia, Denmark, Iceland, India, Japan, Nigeria, Sweden and USA.
