

CDN COLLEGE AWARDS 2023

AWARDS PROSPECTUS

#CollegeAwards

WELCOME >

The 2023 Scottish College Awards, delivered by CDN, are now open for entries.

The Awards recognise the talent, skills and achievements of colleges, their staff and their learners.

They provide a valuable opportunity to celebrate the innovation taking place in colleges across the country. The Awards showcase the impact the sector is having – every day – for our learners, communities, and the wider economy.

This year we are introducing the new Research Project of the Year Award. This recognises the variety of research work taking place in colleges that leads to the enhancement of college provision, the student experience or partnership working.

The awards categories this year are:

- College Community Learning Award
- Digital Learning Award
- Employer Connections Award
- Health and Wellbeing Award
- Inclusive College Award
- Innovation Award
- Lecturer of the Year Award
- Marketing and Communications Award
- Professional Services Colleague of the Year Award
- Research Project of the Year Award
- Skills Development Award
- Student of the Year Award
- Sustainability Action Award
- The Judges' Award 2023

The deadline for entries is Friday 30 June 2023 at 1700, and the winners will be announced at an awards ceremony later this year.

We look forward to receiving your entries, and we wish you every success.

ENTRY GUIDELINES >

Guidelines for Completing Entries

- Entries must be completed using the online Awards Entry Form and submitted via email. An email receipt will be issued for each entry received.
- All entries must have the approval of the college Principal.
- Entries must relate to an activity which took place in the academic year 2022-23.
- Please note two entries per category per college will be accepted.
- A project/nominee can only be submitted once.
- Entries must be tailored to an individual category.
- Please state if entry has won any previous Awards; stating date and name of Awards.
- The deadline for entries is **Friday 30 June 2023 at 1700**. Late entries will not be accepted.

Judging

- All entries will be considered by an independent panel of judges; the judges' decision is final.
- CDN staff will not be involved in any decisions regarding the judging or the shortlist.
- Three entries will be shortlisted in each category.
- Shortlist announced:
September 2023

Award Presentations

The awards ceremony will take place on **Thursday 30 November 2023**

AWARD CATEGORIES

COLLEGE COMMUNITY LEARNING AWARD

The values of inclusion, empowerment, lifelong learning, self-determination and community / learner collaboration are key to Community Learning.

This award recognises and celebrates the innovative and outstanding work of colleges and their community partners in the delivery of Community-Based Learning opportunities.

Entries should evidence:

- How the college shows a sustained commitment to supporting community-based learning which is lifelong, life wide and learner centred, particularly to learners who face barriers to accessing existing learning provision
- How the college contributes to community learning through curriculum content, design, and teaching practice

- How the college creates and supports effective community partnerships with external community-based learning providers, to bring added value to the learning offer in local communities
- How the college has developed innovative and creative approaches in the recruitment and delivery of community-based provision in order to engage, support and empower community learners to fulfil their potential
- How the college is supporting community learners to further their qualifications in a community supported learning environment
- How the college shows effective transition routes from community to college for those seeking to continue their learner journey
- What is unique about this piece of work and why.

College Community Learning Award

DIGITAL LEARNING AWARD

This award recognises a college that has implemented creative ideas to improve the quality and effectiveness of technology-enhanced learning, teaching and/or assessment practice.

Entries should evidence:

- Creative digital approaches in curriculum design, content or delivery
- Scope for ideas to be adapted or transferred to other curricular areas
- A sustainable plan to ensure the longevity of the project
- Collaboration with other departments, students and/or partners
- What is unique about this piece of work and why.

Digital Learning Award

EMPLOYER CONNECTIONS AWARD

This award recognises creative and sustained approaches that a college has taken to enhance active, effective and sustained engagement activity with employers that support the ambitions of the Scottish Government's Developing the Young Workforce and Skills Strategy. These approaches should demonstrate clear, positive benefits to the employer, stakeholders, staff and learners in colleges and in the workplace as a result of the activity.

Entries should evidence:

- Creative approaches to providing opportunities for learners and staff to engage with employers, and/or develop more productive partnerships with employers
- Evidence on how the approach has and will be embedded to ensure long term benefits for learners, employers and staff
- Approaches that drive and develop enhanced relationships between employers, training and education which develop and sustain effective engagement including work experience, placement and/or employment opportunities

- Details on how employer(s) have become central to the planning/ design and delivery of learning. This can include systemic approaches to ensuring employer connections are embedded in the culture across department and college as a whole.
- Personal and professional development opportunities for college staff through effective engagement with employers
- Impact of employer and college business benefits which may include bespoke training solutions that directly meet employer business needs
- What is unique about this piece of work, why, and what are the aims for the future with it?

Employer Connections Award

HEALTH AND WELLBEING AWARD

This award recognises a college that has made a significant contribution in addressing the health and wellbeing needs of its staff and students, particularly within the context of supporting staff and students remotely.

Entries should evidence:

- A strategic approach for supporting health and wellbeing improvement activity within the college setting
- Health and wellbeing improvement initiatives which are proactive in their response and are sustainable
- Health and wellbeing improvement initiatives which recognise different dimensions of health including physical, emotional and mental health
- How these initiatives have impacted individually and collectively on staff and student resilience, motivation, and performance
- What is unique about this piece of work and why.

Health and Wellbeing Award

INCLUSIVE COLLEGE AWARD

This award recognises a college with an organisational commitment and strategy to create, promote, and advance equality, diversity, and inclusion in all functions and processes of college life.

Entries should evidence:

- How the college is showing commitment and dedication to creating a diverse and inclusive environment, through curriculum content and design, teaching practice, and supporting students and staff
- How the college establishes a mainstream environment that recognises, encourages, and celebrates each individual's talents.
- How the college is empowering others to fulfil their potential and to provide support in ways that foster increasing independence
- How the college is intervening in ways likely to foster good relations and maintain students' and/or staff enthusiasm, motivation and sense of belonging
- What is unique about this piece of work and why.

Inclusive College Award

INNOVATION AWARD

This award recognises a project that demonstrates innovation in colleges. Applications are welcome from colleges that have demonstrated innovative practice in skills development; innovation through the redesign of processes or services within the college; or through collaboration and partnership work with other organisations/businesses to take an idea or product from concept to delivery.

Entries should evidence:

- Justification or need for the project
- What was innovative about the idea and where the inspiration came from
- How engaging with the process of innovation has had a positive impact in the college or surrounding area
- If the project involved collaboration with others, evidence how college leaders engaged in partnership working with, for example, industry partners or a Scottish Innovation Centre
- What is unique about this piece of work and why.

Innovation Award

LECTURER OF THE YEAR AWARD

This award seeks to recognise an individual who has successfully inspired students to achieve their goals and ambitions despite challenging circumstances, and who has made a significant difference. This award is open to colleagues in a learning and teaching role.

Entries should evidence:

- How this colleague has instilled positive change through their work
- How this colleague has lead on the mainstreaming of research informed practices within the department/ college
- The way in which the passion, innovation and hard work of this excellent individual has had an impact on both students, and the wider staff body
- What is unique about the colleague's work and why.

Lecturer of the Year Award

MARKETING AND COMMUNICATIONS AWARD

This award recognises outstanding college marketing and/or communications activity. It will highlight a specific campaign which has enhanced the reputation and success of the college. Successful submissions will demonstrate how clear strategic planning, including effective market research, delivered compelling results.

Entries should evidence:

- Campaign objectives and how they were identified
- Detailed description of tactics used and why they were chosen
- Budget setting and control, with a summary of planned and actual costs, including any other resources used (including any input from an external agency)
- Outputs and outcomes achieved, with an explanation of how activity and results were monitored, measured and evaluated
- What is unique about this piece of work and why.

Marketing and Communications Award

PROFESSIONAL SERVICES COLLEAGUE OF THE YEAR AWARD

This award recognises any support and professional services member of staff within a college who has made a significant investment of talent and time which has had a positive impact on others within the college and/or in their community.

Entries should evidence:

- The positive impact the individual has made to others in the college and/or the wider community
- The way the individual's determination and sheer hard work has inspired, positively challenged and/or provided a positive role model to others
- An insightful and/or creative approach to their work
- What is unique about the colleague's work and why.

Colleague of the Year Award**

RESEARCH PROJECT OF THE YEAR AWARD

This award recognises a college that has undertaken a successful research project (or an enhancement project undertaken as a result of internal or external research) that has resulted in enhancements to college provision, the student experience or partnership working.

Entries should demonstrate that college staff and/or students have been involved in undertaking research as a key element of the planning or delivery of the project.

Entries should evidence:

- Research activity (either academic or action research or a combination of the two) as a core element of the project.
- The research methods and approaches that were used in the project.
- A tangible impact on an element of the college's delivery, student experience, staff practice or partnership working with community and/or business partners.
- Staff and/or student research skills were enhanced as a result of participation in the project.
- The project is part of a wider culture of research and enquiry within the college.
- What is unique about this research project and why.

Research Project of the Year Award

SKILLS DEVELOPMENT AWARD

This award recognises a college that has demonstrated impact in their approach to skills development of their students. This could be related to a range of innovative approaches taken to ensure the development and achievement of personal and transferable skills of students, as well as finding effective ways of tracking skills development and enhancing learners' ownership of the development of their skills. The focus on skills development must ensure that students articulate and demonstrate their skills, and the potential to utilise these skills in different contexts.

Entries should evidence:

- Imaginative approaches to developing core, essential, meta and career management skills, for example through the development of learning and teaching approaches, or through projects, inter-disciplinary or collaborative learning, events, volunteering or competitions
- Potential for the approaches to be adapted or transferred to other curricular areas
- The development of core, essential, meta and career management skills that are relevant to the regional or national skills gap, or the predominant regional employment market
- Development of relevant digital skills which meet the needs of today's employers
- Methods in which learners take greater ownership for the development of their skills, including evidence from learners of the impact of skills development
- What is unique about this piece of work and why.

Skills Development Award

STUDENT OF THE YEAR AWARD

This award recognises an individual student who has made a significant investment of talent and time which has had a positive impact on others within the college and/or in their community.

Entries should evidence:

- The positive impact the student's contribution has made to others in the college and/or the wider community
- The way the student's determination and sheer hard work has inspired and positively challenged others and/or how the student is seen as a positive role model
- An insightful and/or creative approach to improvement and/or innovation
- The effective development of an idea into a successful venture
- What is unique about the student's work and why.

Student of the Year Award

SUSTAINABILITY ACTION AWARD

This award celebrates a college that has demonstrated leadership and impact in sustainability.

It recognises the achievements of colleges who have progressed the interlinked issues of social, environmental and economic sustainability within their curriculum, campus, culture or wider community engagement through a successful sustainability initiative over the last year, which aligns to and supports a committed, whole-college approach to sustainability.

Entries should evidence:

- At least one specific sustainability initiative which has progressed significantly in the past year, detailing ambitions and successes so far
- How this initiative supports progressing sustainability within at least two of: curriculum, campus, culture and wider community engagement
- A whole-institutional commitment to embedding environmental and social sustainability across all areas of college activity
- What is unique about this piece of work and why.
