

## Flexible Learning Strategies

Adapt teaching strategies to support unique and distinct learning needs.

## Social and Emotional Support

Foster a support and inclusive culture in your classroom and access to support services if needed.

# Autism Inclusion in HE/FE

## Person-Centred Approach

Recognise individuality and unique challenges. Make the necessary adjustment to support specific needs, challenges and goals.

## Sensory Environments & Communication

Minimise sensory overload, provide clear and effective communication, be patient and normalise fidget toys or behaviours
