

Responsible

Flexible

1 Multiple Means of Representation:

Provide content in various formats to accommodate different learning preferences. This could include using text, images, videos, or interactive elements

Multiple Means of Engagement: 2

Offer diverse ways for students to engage with the material and express their understanding. This might involve interactive activities, discussions, hands-on projects, or multimedia presentations.

Accessible

Strategic

3 Multiple Means of Expression:

Allow students to demonstrate their knowledge and skills through various methods. This could include written assignments, oral presentations, artistic creations, or using technology.

Universal Design for Learning: It's Black & White
