

December is...

Focusing on Social Mobility

How does your organisation facilitate social mobility, widening access, and pathways from poverty?

THE GLOBAL GOALS

Download the infographic

Contains over 480 minutes of 1-click CPD

Just click to access resources on **Pathways from Poverty and Social Mobility**.

- **CDN Research: Pathways from Poverty Series:** Read the 2022-23 Pathways from Poverty Research Series, which shows the critical role of colleges as community anchor institutions
- **Supporting Student Carers:** CDN Learn Online. Discover practical strategies to support student carers (approx 4 hrs)
- **Moving On:** CDN Learn Online: Useful tips to support student transition into employment
- **Fair Access Toolkit:** SCAPP offers training, networking, and professional development opportunities to support widening access in Scotland's FE/HE institutions
- **Old Challenges, New Contexts:** Scotland's Colleges as pathways from poverty in the post-covid era. Pub: 'Education in the North' from the University of Aberdeen
- **Supporting Work Readiness:** CDN Learn Online. A range of resources to support learner engagement and employability
- **Trauma-Informed College Programme:** Colleges are already leading the way in tackling educational disadvantage in our communities and in supporting all learners, including those who have lived experience of poverty and trauma, to succeed
- **Corporate Parenting in Colleges (New):** Hear the voice of Care Experienced students in Scotland to enhance your understanding of how you can support them in your role
- ****SPARQS Student Learning Experience Model**:** How to work in conversation with all tertiary students
January Focus: Building Positive Relationships on Campus
