

THE GLOBAL GOALS

Focusing on Neurodiversity

Does your organisation embrace the spectrum?

Just click to access resources on how to create a welcoming and safe learning environment for neurodiverse individuals

Navigating a Non-Neurotypical World: The Challenges for People with Dyslexia: Blog writer, Chris Neale shares the experiences of undergraduate, Leah Topp who is raising awareness of dyslexia whilst studying at UHI World Autism Acceptance Week 2024: National Autism Society's guidance on how to get involved Neurodiversity 10: Navigating the Intersection of Trauma and Neurodiversity: Prof. Amanda Kirby's LinkedIn newsletter about the intricate relationship between neurodiversity and trauma and the impact of trauma on neurodevelopment

Don't Hold Back from Talking to Your Neurodiverse Students: FE News explains that fears about using the wrong terminology when talking to neurodiverse learners shouldn't stop staff from establishing what support is needed and focusing on the learner's strengths

Supporting Neurodiversity: CDN Mini Bite video and factsheet provide insight into what is meant by neurodiversity and offer some context as to what it means in practice for our varied roles in colleges

Neurodiversity Resource Hub: A useful tool to find helpful resources.

Neurofuturism, Neurodiversity and AI: LinkedIn Neurodiversity 101 Newsletter asks 'What are the gains and potential challenges of AI in relation to neurodiversity?'

Top Positives of an ADHD Brain: A short LinkedIn article by the 'Neurodiverse Exec', discussing being a neurodiverse woman in business

The 2024 Neurodiversity Training Programme: Mindroom.org offers several training programmes for free, or at a relatively low cost. Check with your Organisational Development team for potential funding. Find the 2024 Course Catalogue here

May Equality Matters Focuses on ... Mental Health and Well-being
