Focusing on LGBTQ+ Inclusive Pedagogies

How does your organisation guarantee LGBTQ+ inclusion?

 Just click to access resources on how to create a fully inclusive learning environment for tertiary students.

LGBTQ+ History Month UK: Suggested 2024 activities, themes, and events in which you may want to get your college involved and show support and inclusion for all LGBTQ+ students and staff

Trans and Gender Diverse: CDN 'Minibite' video that discusses the steps you can take to ensure trans and gender diverse students are successfully supported

Tackling Persistent Inequalities Together: Download the 2023 SFC report that identifies persistent inequalities in HE/FE.

TransEDU: Find resources with which to support trans and non-binary members of your HEFE community including short videos of lived experiences [#TransEDU](#)

Ask Me: The Chronicle of HE (USA) article about trans inclusion – sign-in may be required

Developing an Inclusive Curriculum: Follow Kingston University's Excellence Framework for an Inclusive Curriculum, which is designed to provide academics with the skills to design and deliver a curriculum that is appropriate, accessible, and meaningful to all students

LGBTQ Best Practice Guide: Develop your understanding of how to avoid discriminatory language and practices in your HE/FE pedagogy, with the University of Birmingham's best practice guide

The Power of Perspective: A CDN 'Pedagogy Matters' podcast. Dr Ed Hall (University of Edinburgh) offers key bits of nourishment that focus on principles underpinning effective reflections, approaching meetings/relationships as 'interactions' and the importance of making each of those interactions count

7 Ways to be a Better Ally: UCL's guide to show how allies can be some of the most effective and powerful voices of the LGBTQ+ movement. In this article, you can find some of the ways you can be a better LGBTQ+ ally

How to improve the LGBTQ+ Student Experience: A WonkHE Blog discussing how to tackle gaps in participation, experience, safeguarding, and success for LGBTQ+ students in higher education

March #EqualityMatters focuses on Gender Inequality and #EndGB

5 Acting — Enabling Change
