1

EQUITY

- **Equal Access to Education:** Ensure all refugees and asylum seekers have the same opportunities to enroll in courses.
- **Financial Support:** Provide access to financial aid to cover tuition and living expenses.
- **Tailored Support Services:** Offer academic and personal support tailored to the unique needs of refugees and asylum seekers.

2

DIVERSITY

- **Cultural Awareness Programs:** Implement programs that celebrate and educate about different cultures.
- **Language Support:** Provide English language classes and translation services to help students integrate.
- **Diverse Curriculum:** Include diverse perspectives and histories in the curriculum to reflect the student body.

3

INCLUSION

- **Welcoming Environment:** Create a campus culture that is welcoming and inclusive for all students.
- **Student Organisations:** Support the formation of student groups for refugees and asylum seekers.
- **Inclusive Policies:** Develop policies that promote inclusion and prevent discrimination.

4

RIGHTS

- **Legal Support:** Offer legal advice and support for navigating the asylum process.
- **Know Your Rights Workshops:** Educate students about their rights and available resources.
- **Advocacy:** Advocate for the rights of refugees and asylum seekers at the institutional and governmental levels.

5

PARTICIPATION

- **Community Engagement:** Encourage participation in community service and local events.
- **Student Representation:** Ensure refugees and asylum seekers have a voice in student councils and committees.
- **Extracurricular Activities:** Promote involvement in clubs, sports, and other extracurricular activities.
