

Focusing on Neurodiversity

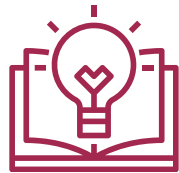

How will your organisation celebrate Neurodiversity Week, 17-23 March, 2025?

Click on any icon to access resource

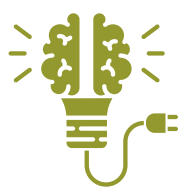

Watch: Neurodiversity – the key that unlocked my world | Elisabeth Wiklander | TEDxGöteborg.

Read: TES: On the Neurodivergent Campus, Language Matters: how to avoid out-of-date, ableist language with your students.

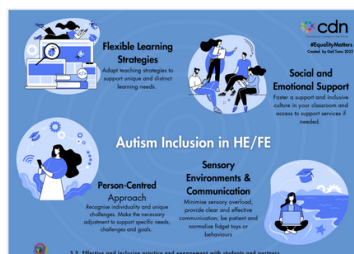

Listen: Colleges across Scotland collaborated to create the CDN's EDI Network's Podcast 'CelebratingNeurodiversity': released 17th March, 2025

Learn: Take your understanding and practice to the next level by signing up for West College Scotland's 1-day in person 'Autism Through The Neurodiversity Lens And How This Approach Can Improve Professional Practice' (*Fees apply*).

Practice: Join CDN's active community of practice, Neuroinclusion, to connect with colleagues across the sector, to build a more neuroinclusive tertiary community
